

The Past by The X-Structure

-----

Before Westcoast Trip, in and around the days of night, many a song were written by the enigmatic musician known as nightowl, but only a few had ever seen the light of day. Now, 7 years later, after re-discovering 4 unreleased tracks in an old dusty chest in their attic, with the source files nowhere to be found, The X-Structure decided to release them as they were, as they were made, to tell the story of a time now past.
